

Collective Worships

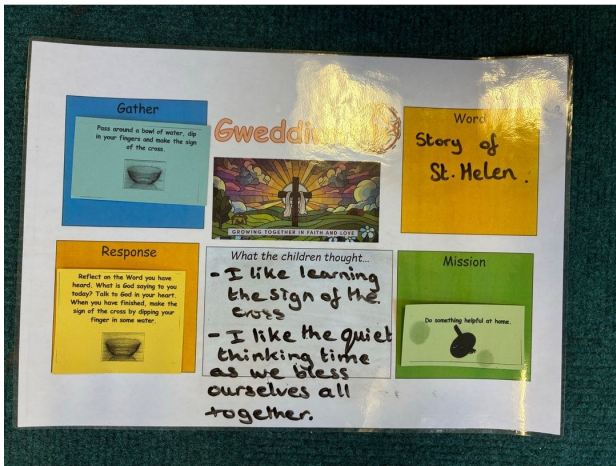

This term started with the resurrection of the Alleluia with Father Kelly.

Our Ketts and Collective worship were focused on the time of

Pentecost, the start of the churches calendar and Mary for the month of May. The children learnt the Hail Mary and enjoyed the interactive nature of the Ketts and the time given for reflection.

Collective Worships

For the children's planned Collective Worship they blessed themselves with water, listened to the story of St. Helen and completed a good deed mission at home. In our Ketts session the children explored how Christians show love and friendship through dialogue and encounter — listening, sharing, and connecting with others as Jesus did.
