

Reception Autumn Term - Collective Worship

We now know that the month of October is Mary's special month. We talked about the rosary and started to learn the Hail Mary prayer.

We have planned and taken part in an act of collective worship. We enjoyed using the musical instruments and thanked God for the Sacrament of Baptism.

We talked about the season of Advent. We created our own Advent promises and shared them with our friends.

We talked about the different characters in the Christmas Story and offered spontaneous prayers to God.

We reflected on the Christmas Story and reminded ourselves of the true meaning of Christmas.
