

Nursery Summer Term - Collective Worship

We took part in a May Procession for Mary.

We planned and took part in an act of collective worship to celebrate the end of Branch 5.

Father Kelly joined us to resurrect the Alleluia - He is risen!

We enjoyed having Delyth Jewell visit us at school. She joined in with our whole school act of collective worship as part of our Catholic Social Teaching collaborative project.

We have been learning to make the sign of the cross correctly on our friend's forehead as part of the 'Gather' during our acts of collective worship.

We confidently talk about how we have used our class prayer bear 'Ted' at home to develop our understanding of prayer.
