

Virtues Autumn 1 - Curious & Active

This term the children have been learning all about the virtues 'Curious & Active'. We have learnt about what these mean in our Foundation Phase assembly and then put it into practise!

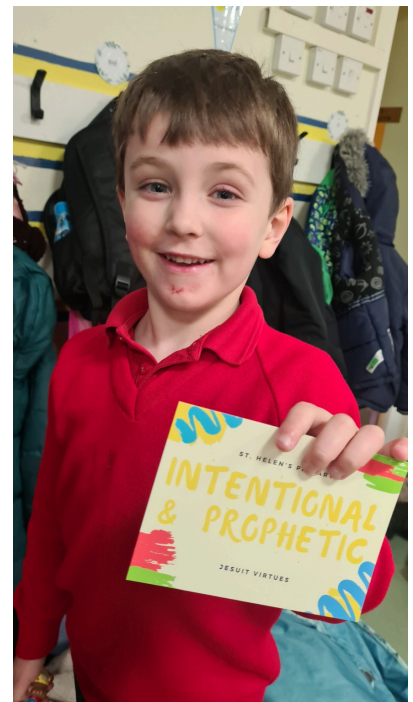

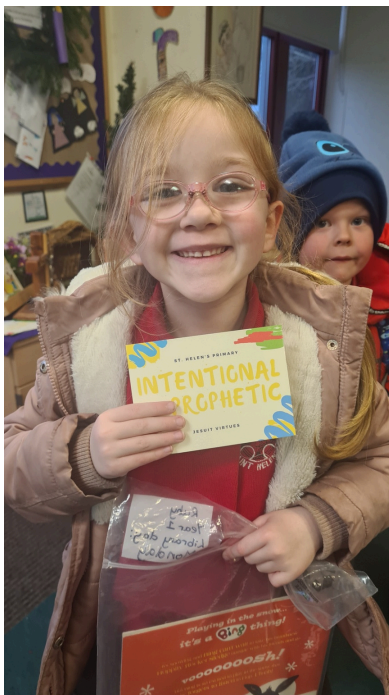

We have had lots of opportunities to be curious about God's world. We explored outside and created fantastic picollages to showcase what we saw.

We have also celebrated each other as we were demonstrating these virtues. Lots of us asked great questions this term, and worked hard to make our world a better place by being a good friend, looking after each other and our world.

Virtues Autumn 2 - Intentional & Prophetic

This term the children have been learning all about the virtues 'Intentional & Prophetic'. We have learnt about what these mean in our Foundation Phase assembly and then put it into practise!

We have made a special effort this term to make good choices. We have celebrated children who have been kind, resilient and those who have persevered with their learning. We have also considered the impact of our choices such as not wasting resources in class, recycling what we can.

Throughout Advent, we have used our advent calendar to share a little treat with those who are being prophetic in the example they set to others.
