

Reception Summer Term - Virtues
Compassionate and Loving

We have shown love and compassion by being a kind friend.

During this half term the focus has been on being Compassionate and Loving.

Compassionate towards others, near and far, especially the less fortunate; and loving by their just actions and forgiving words.

We look after our friends when they are hurt.

We share the toys around us and help look after the environment and the world we live in.

Faith-filled and Hopeful

We prayed for our future hopes and our school community.

We have raised money for different charities.

The second half term the focus has been on being Faith-filled and Hopeful.

Faith-filled in their beliefs and hopeful for the future.

We shared our hopes for our future by dressing up as our future aspirations.

We played trust games with our friends.
