

Year 3 Spring Term Collective Worship

We went to St Helen's church to celebrate the feast of the Epiphany

As part of their collective worship, year one visited us. They followed a star and delivered gifts of gold, frankincense and Myrrh.

Our collective worship at the end of our topic 'Desert to Garden' was all about homelessness. We responded to the picture of a homeless man using words and pictures and shared our feelings with our partner siarad.

Our mission going forward was to look after each other and our planet. Here we are on a litter pick, being planet protectors.

Year 3 completed the 'Big Lenten Walk.' We are raising money for CAFOD.
