

Yr 6 Summer Term 2026 Jesuit Pupil Profile Virtues

Generous and Grateful

This term we have focused on being grateful and generous. We have learned to be grateful for our own talents, the people around us, and the many blessings we enjoy each day. We have also learned to be generous by sharing our gifts, helping others, and showing kindness, becoming people who care for and support those around them.

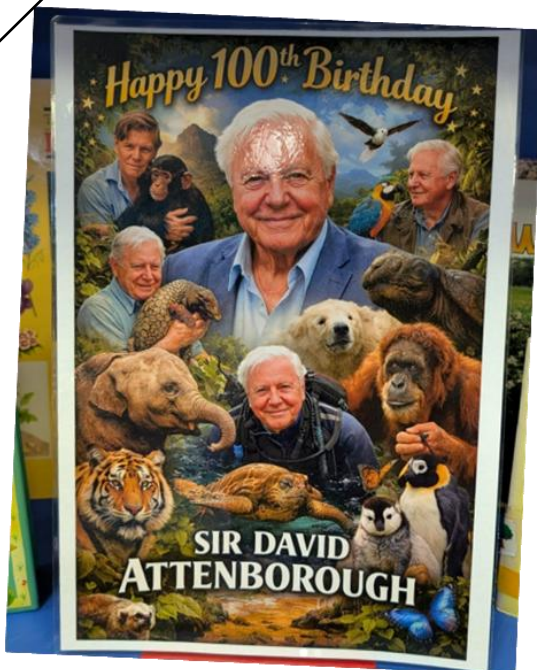

We are grateful for all our learning opportunities. We designed and made sweet pizzas!

We are grateful for our talents. We won the Caerphilly netball Final.

Yr6 are generous with their time, they make relevant library displays to help younger pupils access books. They tidy the library too!

We are generous on non-uniform day; we bring in food for the local food bank.

Attentive and Discerning

For the second half of the term, we have focused on being attentive and discerning. We have learned to be attentive by noticing our thoughts, feelings, experiences, and the world around us. We have also learned to be discerning by thinking carefully about our choices and making good decisions that help others and follow God's call for us.

We had an assembly about the meaning of the virtues, where we could see examples of them in scripture and thought about how we could show these virtues in our everyday life.

[Story of Zacchaeus: The Tax Collector who Met Jesus!\(Luke 19:1-10\)](#)

At the end of assembly, we said a prayer together asking God to help us develop the ability to be attentive and to be discerning.

Dear God,

Help us to pay attention to the world around us and to the feelings in our hearts.

Teach us to notice both the big things and the small things in our lives.

Help us to listen carefully to others and to treat them with kindness and understanding.

When life feels busy and rushed, remind us to slow down and see the good things You are doing each day.

Give us the wisdom to know what is good for us and the courage to choose it.

Guide us as we grow, and help us to understand what You are calling us to do. Show us how to use our gifts to love and serve others.

Thank You for always being with us and leading us every step of the way.
Amen.

We noticed the world around us as we worked with Nursery to understand Stewardship. We found the smallest of God's creatures and were attentive to where they lived so we could build bug hotels for them.

We made good choices together and litter picked in our forest.
