

Nursery Summer Term - Virtues Generous and Grateful

We are grateful for the church so made a happy birthday card for St Helens to celebrate the feast of Pentecost.

We brought in items for the food bank and were very generous!

We share the toys around us and help look after the environment and the world we live in.

During this half term the focus has been on being Generous and Grateful.

Grateful for the gifts God has given to us, for the gifts of other people and the blessings of each new day. We are thankful for what we have and the people around us.

Generous with our gifts and time. We are generous with our actions, doing things to help other people make a difference in the world.

Attentive and Discerning

We have been discerning by looking after our classroom environment, our school and each other. We collected items for our food bank and help each other daily around the classroom.

During the second half of this term the focus has been on being Attentive and Discerning. Attentive to our experiences and vocations and discerning about the choices we make and the effect of those choices.

We have been attentive when sharing our talents in phonics and mark making, and during times of prayer.
