

# Nursery

## Autumn term

### Branch 1- Creation and Covenant

The nursery children learned about Creation and God's covenant in a simple and fun way. They listened to the story of how God made the world in seven days, from light and land to animals and people. The children explored the idea that everything God created was good. They also heard about God's promise, or covenant, to care for the world and His people. Through songs, stories, and activities, the children discovered the beauty of creation and the love and care that God has for them.

## Nursery

### Autumn Term

#### Branch 2- Prophecy and Promise

In Nursery this term the children learned about the sign of the cross and its meaning. They practiced saying the words, "In the name of the Father, and of the Son, and of the Holy Spirit. Amen," and understood that it connects them to God. They also learned that baptism is how we become part of God's family, the Church. The children celebrated God's beautiful world by giving thanks for all that He has made, helping them to appreciate the wonders of creation. By the end of the unit, they understood God's love and the importance of being part of His family.
