

Virtues

Intentional and Prophetic

Gabby
By supporting another child and making them feel included, Gabby lived out our virtues of being intentional and prophetic.

For Noah demonstrated our school virtues - intentional and prophetic - by taking the initiative to pick up rubbish.

Bella
By helping another child with their coat and bag without being asked, Bella showed she is living out our virtues of intentional and prophetic action.

Koby
Koby acted intentionally and prophetically by holding back the brambles to help others through.
