

Reception Autumn Term - Virtues

Eloquent & Truthful

Learned & Wise

During the first half term of this academic year the children have been working hard to develop their virtues and values. In Autumn 1, the focus was on being Eloquent & Truthful. This has included learning about choosing kind words, telling the truth and expressing ourselves with words and writing. We have done this at playtimes, in our Ten Ten lessons and we definitely expressed ourselves in our Nativity concert!

The Autumn 2 focus was on being Learned & Wise. This has included learning from our Teachers, learning how to live as God wants, listening to stories from the Bible and putting all of this into practice and making good choices
