

Year 1 Autumn 1 - Creation & Covenant

This term the children have been learning all about the story of creation. They worked together to create beautiful drawings to sequence the story. We have listened, retold, created and written all about creation.

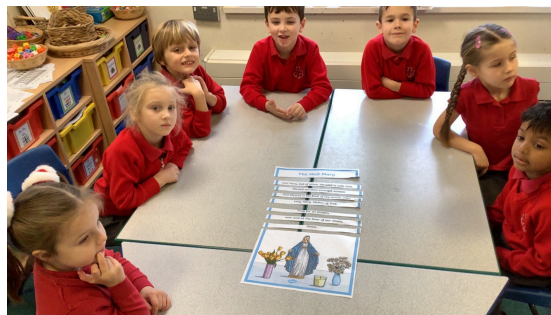

We have learnt about prayer, thought about how God has given us all that is and spoken about which of God's gifts can or can't be seen.

The Laudato Si letter from Pope Francis taught us how we should all be looking after our world, because it is a gift from God. We each made a promise to do so.

Year 1 Autumn 2 - Prophecy & Promise

This term the children have been learning all about the story of Christmas. We started with Mary, learning about how Catholics show honour to her and that she was chosen by God to be the mother of his Son, Jesus.

We have learnt through role play, creative tasks, song, discussion and writing. The Hail Mary prayer has been a particular focus and we have begun learning the words as we pray together.

Sequencing the Christmas story from the Annunciation to the shepherds arriving at the stable was a particular highlight because we all did a fantastic job, and we used our Nativity songs to help us!
