

Summer Term-Year 3 Collective worship

Year 3 attended the whole school mass for our mission launch day.

As part of our collective worship, we made a class collage of our world and sang “What a Wonderful World.” Our earth is God’s creation and we have a duty to be ‘planet protectors.’

Year 3 celebrated their First Holy Communion this summer term. They were an integral part of the service and, of course looked very smart for the occasion! The children read beautifully and learnt about looking after each other on our Christian journey.
