

Year 2 Summer Term 1

RED - To the ends of the Earth

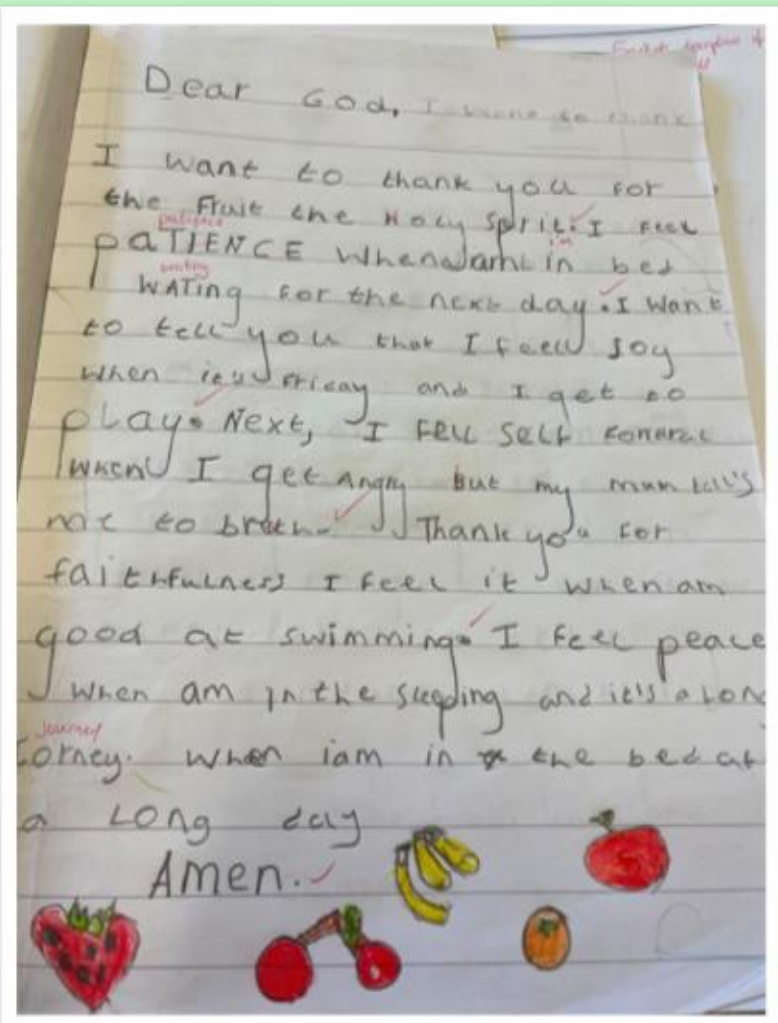

Pentecost

In Year 2, the children have enjoyed learning about Pentecost. They explored a range of artistic representations to discover how each piece of artwork can tell its own unique story. The children engaged in thoughtful class discussions before creating their own wonderful artwork inspired by Pentecost.

Fruits of the Holy Spirit

During Summer 1, the children also learned about the Fruits of the Holy Spirit. As part of their learning, the children learned a new song and worked collaboratively to create a poster explaining the Fruits of the Holy Spirit and wrote letters to God explaining how the children experience these fruits in their daily lives.

Year 2 Spring Term 2

RED - Dialogue and Encounter

The Good Samaritan

During Summer 2, the Year 2 children were reminded of The Good Samaritan. The children wrote their own modern-day parables of the story and designed cards for members of staff across the school to Love Thy Neighbour.

Throughout Summer 2 the Year 2 children have worked with Year 5 looking at how the Church teaches us to serve. We have specifically looked at the impact of CAFOD and the SVP on the world and local communities.
