

Reception Summer Term – To the Ends of the Earth

In this topic, we heard the story of the Ascension when Jesus rose to heaven. He promised to send a special friend!

We then heard the story of Pentecost, where the Holy Spirit arrived to all of the disciples! We drew the symbols of the Holy Spirit outside. We retold the story, played with wind toys & bubbles!

We learnt that Pentecost is considered the birthday of the Church - so we made beautiful birthday cards for the Church and Father Kelly.

We know that we are all part of the church family. We set up a role play church in the classroom and it was so much fun! We took turns to read the Bible, say our prayer and sing hymns.

Reception Summer Term – Dialogue and Encounter

In this topic, we started with a visit from the lovely Mrs Cronin. She is a friend to Jesus and helps at the church with flower arranging and looking after the Altar servers. We asked lots of wonderful questions!

We thought about how we can be a friend of Jesus. We thanked God in different ways, including using instruments to accompany a simple litany in Welsh.

We heard the story of St Peter and created our own animations using Chattapix!

We also learnt about other Faiths this term. We learnt about the muslim fetival of Eid, including doing a traditional dance. We also learnt about Judaism and the festival of Hanukkah. We even made our own Challah bread- this was definitely a highlight because it was so tasty!
