

Nursery Summer Term - RE

Branch 5 - To the ends of the Earth

We made s'mores and had a fire to celebrate the feast of Pentecost.

We listened to the story of the Ascension and created artwork based around it.

We made a display of all our learning for this branch.

We role played a Mass and talked about the term 'Parish Family'.

Branch 6 - Dialogue and Encounter

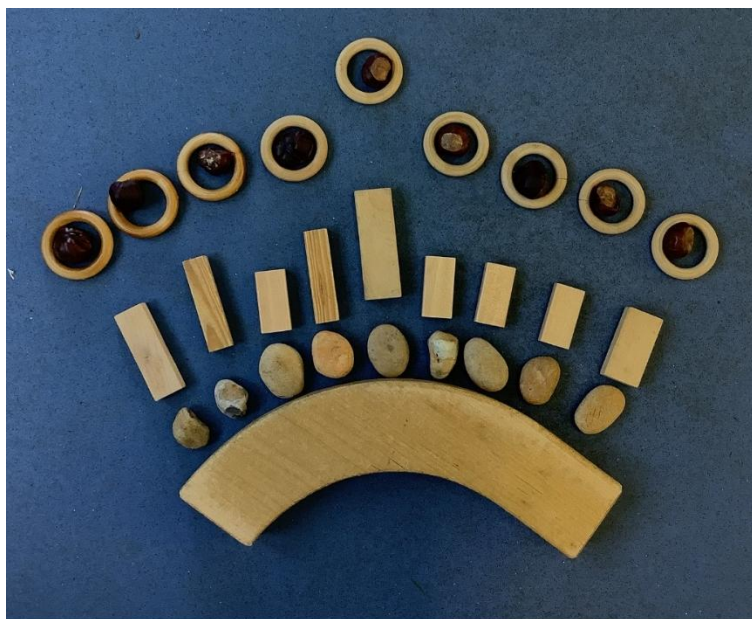

We talked about the qualities of a good friend and made a friend with blocks during a circle time.

We recognise St Peter and St Paul are followers of Jesus. We thought about the messages that Jesus would share with his friends.

We recognise the festival of Hannukah. We made a Menorah candle by wrapping wool around lollipop sticks, developing our fine motor skills.

We also made a Menorah candle using loose parts!
