

## Collective worships

This term our collective worships have been linked to the values learnt through the Story of Noah. We have dedicated our worships to God thinking about how we can look after our world and look after each other.

The students had the opportunity to look through the bible and discuss stories we have seen before.

In Year 2 we have come together in collective worships to express our ideas on how we can look after God's world and discussing how important characters from the bible have shaped the world we live in today.
