Reception Summer Term – Collective Worship

At the end of our Branch, To the Ends of the Earth, we joined for our collective worship. We heard Acts 2 and thanked Wonderful God by creating a beautiful poster of handprints.

We had a whole phase collective worship for Pentecost.

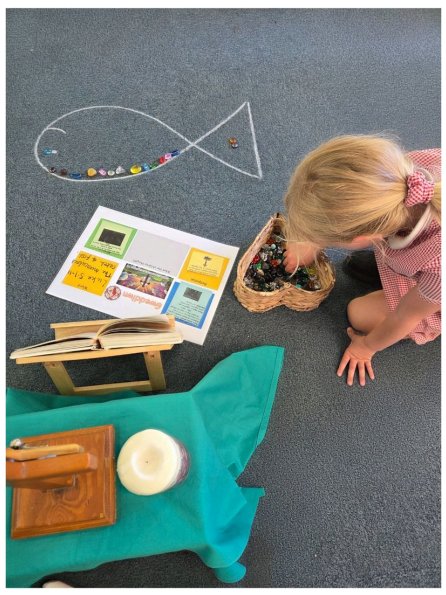

We regularly practised the Hail Mary during the month of May, including with the Rosary beads. We also had a whole phase procession of flowers for Mary.

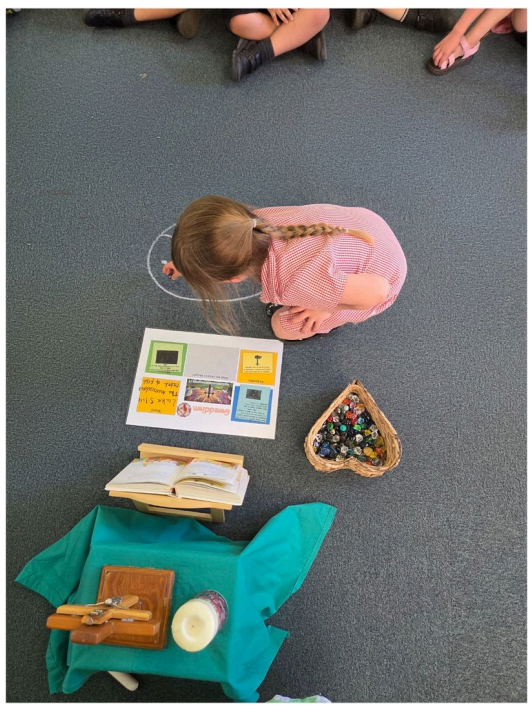

Reception Summer Term – Collective Worship

We love our weekly Ten Ten assemblies in class. We sing to greet the Gospel and have quiet reflection time to consider what we have heard.

A wonderful collective worship for the end of our Branch 6- Dialogue and Encounter. We gathered, made the sign of the cross before placing a pebble in the fish. We heard Luke 5:1-11, the story of the miraculous catch of fish. We responded in Welsh prayer and heard 'God made me as I am' to finish.
