

Year 2 Spring Term 1

Curious and Active

During Spring Term 1, the Year 2 children have been Curious and Active learners, particularly during our Space topic. They showed great enthusiasm on hook day, asking thoughtful questions and engaging excitedly in practical and creative activities that helped bring their learning to life.

In RE, the children explored a range of parables, including Jesus Calming the Storm and The Lost Sheep. They listened carefully, shared their ideas confidently, and showed curiosity as they reflected on the messages of trust, care, and importance of every individual.

Our Year 2 Assembly about The Good Samaritan

Year 2 Spring Term 2

Intentional and Prophetic

Our CAFOD Lenten Walk!

During Lent, the Year 2 children showed how they can be intentional and prophetic by taking part in the Big Lenten Walk in support of CAFOD. They walked together with purpose, understanding that their actions could help others around the world. This experience encouraged them to think beyond themselves and recognise how even small acts can make a difference.

Lenten Friends

The children also demonstrated being intentional and prophetic through their Lenten friend's activity, where partners were chosen at random. They made a special effort to be kind, supportive, and thoughtful, creating and gifting small items to one another. We found out who our Lenten friends were by gifting chocolate eggs in forest school!
