

## Reception Summer Term - Collective Worship

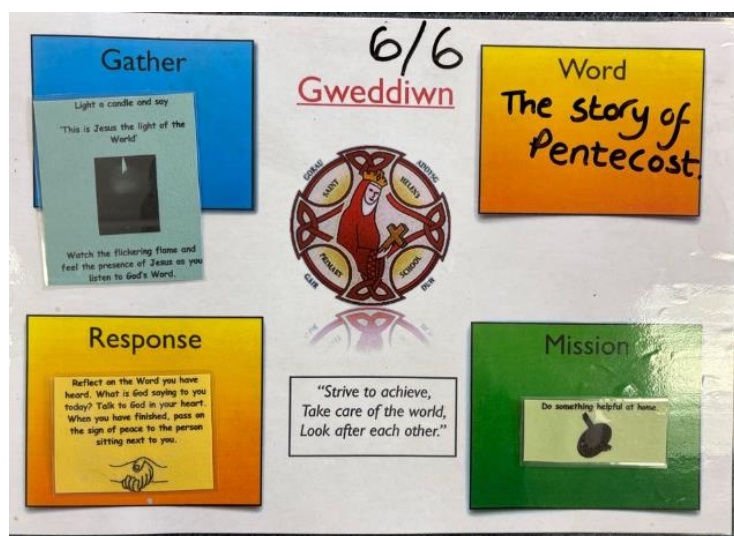

We took part in a May Procession for Mary.

We planned and took part in an act of collective worship to celebrate the end of Branch 5.

Father Kelly joined us to resurrect the Alleluia - He is risen!

The sun shone for our whole school outdoor Mass in celebration of our new Mission Statement: 'Growing together in Faith and Love'.

We continued to share the adventures of our prayer bear at home this term.

We celebrated the end of our Branch 6 by coming together and sharing what we are thankful for and what we are looking forward to going into Year 1.
