

Year 2 Summer Term 1

Grateful and Generous

During Summer Term 1, Year 2 explored the themes of generosity and gratitude through the stories of Joseph and his Coat and Joseph in Egypt. The children reflected on these Bible stories through the lens of a fertile heart, discussing how kindness, forgiveness, and thankfulness can help us grow in our faith and relationships with others.

As part of their learning, the children also explored the different types of jealousy and discussed how jealousy can have both positive and negative effects. The children experienced this through roleplay where we retold the story in front of the whole class.

Year 2 Summer Term 2

Attentive and Discerning

Judaism

Throughout Summer Term 2, the Year 2 children have been very Attentive when listening and learning about different cultures and religions. The children have explored important features of Judaism, including the Star of David, Synagogues and the Torah.

The Year 2 children have been Discerning when looking at differences and similarities between Judaism and Christianity.

We practiced writing our names in Hebrew!
