

Reception Autumn Term - Virtues

Curious and Active

During the first half term of this academic year the children have been working hard to develop their virtues and values. This half term the focus was on being curious and active. Curious about everything; and active in their engagement with the world, changing what they can for the better. All members of the school community have been leading pupils to be curious about the universe and all human activity, and to take increasing responsibility for their own learning. They have also been providing opportunities for them to be active in the life of the school, and offering suggestions in which they could become more active in the life of the Church and the wider community.

Intentional and Prophetic

What does it mean to be intentional?
Planning our actions and choosing to live how God wants us to. Every action we make has an impact on other people and the world around us. If we live intentionally, we listen to our conscience and deliberately decide that the actions we take will have a positive impact. We use the earth's resources wisely, think about the choices we make, and care for God's creation.

We have been bringing in food to donate to the Parish Trust during Advent.

What does it mean to be prophetic?
Spreading the word of God through how we live our lives. As we choose to act intentionally and make good decisions, we encourage others to do the same. We set a good example through our words and deeds and inspire other people to act in a positive and wise way. We help people to make the right decisions themselves and think about how God wants them to live their lives. We have been making things to sell and raise money for CAFOD. We have also been praying more during the season of Advent.
