

Year 2 Collective Worship Summer Term 1

The children recently took part in a beautiful Foundation Phase Collective Worship to celebrate Mary's Procession. Each child brought in a flower and, one by one, placed it in front of Mary as a sign of love and respect. The worship was a special opportunity for the children to reflect, pray, and come together as a school community in a calm and meaningful celebration.

The children enjoyed taking part in a special Foundation Phase Collective Worship to celebrate Pentecost. During the worship, the children retold the story of Pentecost and explored the symbols of the Holy Spirit through a range of creative activities. They made colourful crowns, used wind toys to represent the powerful wind, and gathered around a fire to symbolise the flames that appeared above the disciples.

Year 2 Collective Worship Summer Term 2

Collaborative Project Liturgy

To celebrate the learning of our Collaborative Project, the children gathered to celebrate Catholic Social Teaching.

Year 2 and Year 5 proudly showcased their work, taking on the role of teachers as they explained the characters Poppy the Popokotea and Luc the Deer to visitors.
