

Year 3-Branch Six: Dialogue and Encounter

Our topic during the summer term focused on other faiths. We learnt about Islam and Judaism.

Islam

Here are the main beliefs we have learnt about.

3.6.5 Islam

Muslim Beliefs

The religion that Muslims belong to is called Islam. Muslims believe that God is one and unique.

God never had a beginning. God always is and always will be.

In Arabic, the word for God is Allah.

Muslims believe that at the beginning of time, God sent guidance to all the people on earth. This came through revelations to many prophets. The first prophet was Adam, the last was Muhammad. Other prophets were Abraham, Moses, David and Muslims believe Jesus was a prophet. The prophets received guidance from God on how to live a good life.

The Qur'an is the Muslim holy book and is written in Arabic. Muslims believe that the Qur'an has all the answers to questions about life.

Muslims also believe that human beings were created:

- to worship God,
- to obey God's commandments,
- to keep away from the things that God forbids.

Muslims believe that all people are called to

- respect themselves, one another and the whole of creation,
- to be just and honest with one another,
- to remember that they must give an account of their lives on the Day of Judgement.

We brainstormed Muslim beliefs and listened to views of Muslims around the world.

Judaism

We learnt about the Exodus and the first Passover meal.
We made links with this and the Last Supper.

Year 3 have looked at the Eucharist and understand how we have been called to remember the Last Supper during this time.

We have learnt about the Synagogue and looked at artefacts within it and their function.

We have completed lots of work for our topic 'Dialogue and Encounter.' Year 3 have learned about other faiths across the world.
