

# Year 2 Collective Worship

During the first autumn term, Year 2 have been taking part in their own collective worship each week.

The children have been learning how to gather in a calm and respectful way, remembering that Jesus is with them as they pray. Year 2 have created special prayers to help them think about God's love and how they can show kindness to others every day.

Each week, the children have taken turns to help plan and lead the worship, bringing their own ideas and reflections. They have used candles, crosses, and created their own Bible covers to create a peaceful space where everyone can feel close to God.

# Year 2 Collective Worship

During Autumn 2, our Year 2 collective worships focused on the season of Advent and the traditions that help us prepare for Jesus' birth. The children learnt about Advent candles, the Advent wreath, and the importance of waiting with hope and patience. Through prayer and reflection, they developed a deeper understanding of why this time is so special.

We also explored the Nativity story, thinking about the birth of Jesus and what it teaches us about love and kindness. The children reflected on how they can show care to family, friends, and others just as Jesus showed love to the world. Their prayers and discussions highlighted their growing awareness of how small acts of kindness can make a big difference during this joyful season.
