

# Year 2 Collective Worship Spring term 1

After the Christmas holidays, the children returned to a collective worship to reflect on the new term ahead. They discussed how they could be more curious by asking questions and exploring new ideas, and more active by joining in and helping others. This encouraged a positive and enthusiastic start to the spring term.

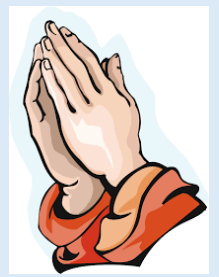

In a Year 2 collective worship, the children gathered in a circle to learn about the Feast of the Epiphany and the journey of the Wise Men. Each child had designed their own crown, decorating it with bright colours and patterns. During the worship, they placed their crowns in the centre of the circle, creating a shared display that symbolised giving and unity.

# Year 2 Collective Worship Spring Term 2

## Burying the Alleluia

During our Year 2 collective worship, the children marked the start of Lent with Father Kelly as he buried the Alleluia. They discovered that this word carries a sense of joy in this season, and they took a quiet moment to pause and reflect.

## Easter Kett

In another collective worship, the children took part in an Easter liturgy, helping to retell the Easter story. Through simple actions and shared words, they explored its meaning in an engaging way.
