We explored how we would feel if we were one of the people being fed at the miracle of the loaves and fish.

every body is getting hungry. Jesus said to his disciples "What food have you got?" The disciples said "We have got 5 loafs of bread and 2 fish." Jesus prayed for what he already had. There were 4000 men and lots (and lots) of ladies and children. Jesus fed every body and more food came when the basket was empty. All of my family was stuffed and the rest of the crowd was as well. There was loads left.

We can describe how Jesus showed his love at the Last Supper and how he shares this love when people celebrate their first Eucharist.

Year 3 made Easter Gardens expressing our love for Jesus. We researched events during Holy Week and learnt that the Eucharist is a meeting point where God gives himself to us as food.
