

Reception Spring Term – Collective Worship

At the end of our Branch, Galilee to Jerusalem, we joined for our collective worship. We heard the Story of Jesus Feeds the 5000, created and prayed our own Litany of thanks.

To prepare for Ash Wednesday, we considered what we needed to say sorry for. We wrote our names on the sorry flowers and during our service, God will hear them.

We joined with the rest of the Foundation Phase to mark Ash Wednesday. We considered our Lenten promises and the things we would like to say sorry for. We received the ashes of last year's Palm Sunday. We are preparing for Easter.

Reception Spring Term – Collective Worship

We joined with our friends in Nursery, Year 1 and Year 2 again to mark Holy Week and Jesus death on the cross before he rose again.

We exchanged a chocolate egg and surprised our lenten friends with it! We have been being super kind and helpful to our Lenten friends, throughout Lent.

We also came together in class for our collective worship at the end of our topic 'Desert to Garden'. We used a Little Liturgy to hear the Holy Gospel according to Matthew.

We finished our Worship with the joyful song 'Sing Hosana!'
