

Year 1 RE - Belonging

To begin our topic of 'Belonging' we started by sharing our own experiences of belonging to groups and clubs. We had such a wide range of experiences, but the common theme was feeling safe and happy where you belong.

We really enjoyed learning about the Sacrament of Baptism and how people are welcomed into God's family. We learnt about the components of a Baptism, the special people who are involved and what some of the symbols mean from around the Church.

In our independent learning, we used the construction area to build our own Baptismal fonts. We also had fun continuing to role play a Baptism independently.
