

Reception Autumn Term Collective Worship

We have been learning how to correctly make the Sign of the Cross.

We have started to plan acts of collective worship in groups.

We took part in Rosary club, during October. We now know that October is also known as the Month of Mary.

We also remembered that Mary is Jesus' mother.

We have opportunities, as a class, to say what we would like to put on our prayer table and RE board.

We regularly have the opportunity to say who and what we would like to pray for in small groups.

We sometimes gather together by putting our finger into a bowl of water and making the Sign of the Cross quietly.

We also take part in KETT sessions where we use resources to help retell religious stories. Here we are talking about the Nativity story.
